You may read about the firm in below text or follow the website: <https://www.avroko.com/>

AvroKO has established a new paradigm in the hospitality industry, encompassing a multitude of disciplines while creating thoughtful and engaging architecture, brands, products, and environments. Since its launch in 2001, AvroKO has earned a reputation as one of the most innovative design firms in the field, due in large part to the group's integrated design process and focus on creating emotionally connected experiences. In the past decade, the firm has grown to four offices (New York City, Bangkok, San Francisco, and London) working on projects across 22 countries in 32 cities, launched over a dozen company owned-and-operated restaurants, created a furniture and lighting company (Goodshop/GSM), and developed a separate branding and strategy division dedicated to projects of scale (Brand Bureau/BB).

Please feel free to forward this message amongst your colleagues & friends who may be interested in exploring careers within the hospitality design industry.

If this sounds like you and the opportunity of working with a fast-moving, dynamic company excites you, then please send us your recent photo, CV and your portfolio (Resume in English only).
